21 October 2020

Dear Year 10 Parents/Carers

GCSE Video Guides for Year 10 Students

Now that your child has started their GCSE subjects, we want to work closely with you to ensure that they set off on the right path to success.

I know that you will want to support them through these two crucial Key Stage 4 years. In order to allow you to understand your child's GCSE courses in more detail, we have set up an additional section of our website to provide a range of parent video guides – see link below:

<http://caistoryarboroughacademy.co.uk/parents/gcse-parent-information-videos/>

Each guide provides information on the structure of the GCSE or Vocational course, an explanation of the content which is covered and how it is organised. The guides also provide information on how you can support your child from home, along with revision materials available.

As a result of current restrictions around Covid-19, we feel these guides present a suitable alternative to the GCSE Information Evening which the Academy would normally hold around this time. Unlike the evening, which is a one-off event, the guides can be viewed as many times as you wish, allowing you to fully understand the courses your child is studying.

Should you have any questions, you will find that each of the video guides provides staff e-mail addresses allowing you to make direct contact with your child's teachers.

As with all new ventures during these most unique of times, we are open to feedback and if you feel the guides have missed anything crucial then please do not hesitate to get in touch directly, by e-mailing me at Ben.Curtis@cyac.org.uk.

We do hope that you find these new video guides useful and supportive sources of information.

With kind regards,

Yours faithfully

Mr B Curtis

Associate Senior Leader - Whole School Personal Development & Careers
