Dear Parents/Carers

JOINT COUNCIL FOR QUALIFICATIONS (JCQ) GUIDANCE RE. GCSEs - SUMMER 2021

Please find attached a document released by the JCQ on Friday 26th March, finalising the details for the submission of grades for Year 11 this summer. I have spoken to all Year 11 students today about this document and stressed the importance of their continued hard work for these remaining few weeks of the academic year in order to provide us with the evidence we will need to justify their grades. The grades that we allocate to each student will be based upon the evidence that we have. It will not be a prediction of what grades we think they would have achieved had they sat their exams in the summer term as normal.

We are therefore going to be completing various tests and activities over the next few weeks to accumulate as much evidence as we can. Please encourage your son/daughter to work hard over the Easter holiday in preparation for these tests when they return.

Thank you for your continued support at this difficult time and rest assured we will do everything that we can to ensure our students get the grades they deserve.

Please do not hesitate to contact me if you have any questions.

With kind regards.

Yours faithfully

Mrs J Biglands
Deputy Headteacher
